Bank Barn preservation project continues

Siding replaced on southern elevation

Thanks to the generosity of donors, like you, Goodell Gardens & Homestead was able to replace the siding on the southern elevation of their historic circa 1885 this year!

The barn, which was originally put on its current foundation by George Goodell in 1885, was once home to the dairy cattle and horses on the Goodell family farm. Today it's used for storage of equipment for events and gardening. Once the multi-year restoration project is complete, the building will be used for programmatic and events space.

This fall marks the second year the siding project has taken place. The western elevation on the barn was re-sided during the fall of 2018 and now the two most public-facing elevations have been completed. Other renovation work to date includes replacing the roof with a metal standing-seam-style roof in 2013, funded in part by Erie County Gaming Revenue Authority; foundation re-pointing and re-setting over several years, funded in part by Erie Community Foundation an anonymous donor and donors like you; and the addition of a modern electrical service entrance just outside of the barn with temporary lights and power to the barn also funded in part by the Erie Community Foundation & donors like you.

The current slate of work for 2020 will address the northern elevation of the building and will include updating and repairing the doors and the ramp leading to them.

Thank you so much to our generous donors and granting agencies whose incredible generosity makes this project possible.

Loucks Donor Legacy Tree dedicated

Friends of Barbara J. Loucks joined members of Goodell Gardens Board, staff, volunteers, and donors to dedicate the Loucks Donor Legacy Tree on Saturday, Oct. 26.

Loucks, a charter member, longtime supporter, volunteer, and friend of the Gardens passed away Feb. 27, 2017, leaving her estate to Edinboro-area nonprofit organizations, including nearly \$55,000 to Goodell Gardens & Homestead. This was the largest single donation from an individual since the original bequest from Carrie & Margaret Goodell who left their estate to form the organization.

The tree, installed in late April, is located between the two barns at Goodell Gardens & Homestead, alongside the main pathway. Throughout the summer, donors have purchased leaves to add to the tree, which were installed in batches throughout the season.

Due to inclement weather, the dedication ceremony was held inside the Events Barn, which felt fitting, as Miss Barb was the first client to rent the barn – even before the roof was installed!

During the ceremony, we dedicated the Loucks Donor Legacy Tree to our good friend Barbara J. Thompson Loucks. May it serve as a longstanding reminder of what generosity can do for a community. A portion of Miss Barb's gift allowed us to plant the seed for future giving at Goodell Gardens, and we are so honored to be a home to her legacy and the legacy of others.

Please join us in thanking Miss Barb and our others who have contributed by purchasing a leaf on the tree. If you'd like to leaf your legacy at Goodell Gardens, please visit goodellgardens.org/louckslegacytrees.

Goodell Gardens receives ECGRA Grant to fund tractor purchase!

Please join us in thanking the Erie County Gaming Revenue Authority for their continued support, as they recently approved a \$10,000 grant toward the purchase of a new tractor! The purchase will be made in the spring, and will help improve the efficiency of our staff. Thank you so much, ECGRA!

ECGRA WORKS at Goodell Gardens!

2019 Member & Supporter Directory

Our members show their support to Goodell Gardens through an annual financial gift, and for them we are forever grateful.

We've made every effort to ensure all of our donors & volunteers are acknowledged in this report. Please let us know if we've made an error.

We appreciate your support and understanding.

James R. Hill III joins Board of Directors

Please join us in welcoming our newest member of the Board of Directors, James R. Hill III. He 's replacing the seat left vacant by Jean Davis following her resignation this summer, and began his service during our October 22 Board of Directors Meeting. Welcome aboard!

Tamarack Wildlife Rehabilitation Center teaches All about Owls

As part of Edinboro Wizard fest, we hosted a talk "All About Owls" with experts and animals from Tamarack Wildlife Rehabilitation Center on September 19, 2019. The talk allowed folks to get an up-close view of several owls that call the center home. Those in attendance were also able to take photos with the owls after hearing all about these majestic birds of the night.

Harvest Festival rounds out successful 2019 season

Our capstone event of the season, the Homegrown Harvest Festival was held on Sunday, Sept. 22 here at Goodell Gardens. Attendees enjoyed live music, a dance performance, a quilt show in the Gardens, an art market, a farmers market, a live monarch butterfly tent, and children's entertainers. Please join us in thanking the many sponsors, volunteers, performers, and vendors who helped make the event possible.
